Greetings Neighbors;

Welcome to a new year in the neighborhood. I would like to take a moment to introduce this year's board effective January 1, 2011. First, Leslie Woods, a project manager through the week, will continue her term as the secretary. She will provide the board with a means of recording events and publishing the minutes from each of our meetings so that they are available for all of our neighbors. Our treasurer, new to the board, Ryan Mull. He is an accountant by day and will be the chief financial officer managing our neighborhood's assets for the board. And the president of the current board is, Jacob Kruer, also new to the board this year. I am a senior team leader and will be working with the board to develop a variety of great activities for the neighborhood this year. The vice president slot is currently available and may serve to the end of this year before going up for re-election.

The most important part of this board is you, the neighbor. I am going to rely on you to make every effort to attend the events we create and participate in the yard sales. I invite you all to get out and know your neighbors. We will use the events as a catalyst but it will be up to you to attend them. Here is a sneak peek of some of those events; movie night, Easter egg hunt, and a variety of grill outs in the park. We are open to suggestions but would also like to ask for your help in planning, executing, and supervising the activities.

Upcoming dates:

Homeowners Association Meeting, February 10, 7 pm in the REMC community room

Easter Egg Hunt

Movie night

Grill out in the park

Neighborhood yard sale, May 14

- For the 37 homeowners who have not paid, we will look forward to your payment to take care of the neighborhood. Please make arrangements with Ryan if you have not already done so.
- We do have positions available to work with the board. The vice president position is available, and we would like to have a social chair or committee.
